Subject: Update to media - Emerson

Good afternoon Deputy,

For your SA, please see the comment we will be sending out this afternoon in response to inquiries from multiple media outlets:

“Since the beginning of the blockade of Highway 75 at Provincial Road 243, Manitoba RCMP officers have worked to peacefully resolve the situation. We are now confident that a resolution has been reached and that demonstrators will soon be leaving the area and that full access to the Emerson Port of Entry will be restored. The Manitoba RCMP is coordinating the departure of the remaining demonstrators and expects that this will be completed by Wednesday, February 16, 2022.”

We will also issue the update as a news release and post to social media. As for tomorrow, the plan is for our MRO to do a media scrum at 10:30 am directly in front of the convoy. A media advisory will be sent first thing tomorrow morning. The organizers have committed they will roll out of Emerson by noon tomorrow. We are seeing them actively packing up and cleaning the site.

Thanks,

Jane
